Agreement

I have searched the literature related to this project and am convinced that my research will bring forward new information. Throughout this project I will abide by professional and legal standards, including those for citing sources and for abiding by copyright regulations. If the National Band Association provides any funding for this project, I will retain copyright ownership, but I authorize the National Band Association to disseminate the results of the project through publication or other means with no further payment to me, unless such dissemination is a distinct entity that generates monetary profit, in which I case the Association and I will enter into a formal contract.

Applicant's Signature _____ Date _____
